Terms and Conditions

Effective July 1, 2012

I authorize Capital Region Medical Center (CRMC) to deduct monies from my gross earnings each payroll period in which a purchase is made at one of the CRMC Deduct It Readers using my CRMC identification badge. In using this system, I understand and accept the following terms:

- I understand that my ID badge has my personal barcode attached to it which identifies me to the Laborworkx system and that this barcode will be viewed as my signature and acceptance that all charges will automatically be deducted from my paycheck.
- I understand a valid badge must be used in the Deduct It reader to purchase any items through payroll deduction. This payroll authorization form must be signed and sent to the payroll department in advance to validate the badge.
- I know and authorize these deductions to occur on each paycheck in which I have made a purchase or purchases for the entire amount.
- I understand that I am financially responsible for any charges that occur on my ID badge of all items purchased.
- I must report the loss, misplacement, or destruction of my ID badge to HR immediately and obtain a new badge. I understand that if my ID badge is lost, stolen or misplaced I am responsible for all transactions which have been charged to my badge.
- Should the badge reader fail to accept my badge for any reason, I will not be able to make that purchase at that time unless I pay for it with cash (or other acceptable forms of payment).
- I authorize CRMC to deduct any remaining balance from my final paycheck(s) in the event my employment is ended for any reason before the total purchase amount is paid.
- Any charges not collected prior to termination of employment may be forwarded to a collection agency and that I am responsible for any collection costs and attorney fees that may result.
- I understand that should I disagree with an amount of a Deduct It transaction, I must present my original receipt to the manager of the department where the purchase was made.
- I understand that I must be familiar with the Laborworkx system in order to view the transactions charged through Deduct It.
- I understand that Capital Region Medical Center has the right to impose a charge limit, or to revoke the privilege of payroll deducting from my pay check should there be abuse or misconduct.

Step 2: Multiple Jobs or Spouse Works	Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs. Do only one of the following. (a) Use the estimator at www.irs.gov/W4App for most accurate withholding for this step (and Steps 3-4); or (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; or (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld ► <input type="checkbox"/>
--	---

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

General Instructions

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2021 if you meet both of the following conditions: you had no federal income tax liability in 2020 **and** you expect to have no federal income tax liability in 2021. You had no federal income tax liability in 2020 if (1) your total tax on line 24 on your 2020 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2021 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2022.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Expect to work only part of the year;
2. Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
3. Have self-employment income (see below); or
4. Prefer the most accurate withholding for multiple job situations.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

 **Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 972, Child Tax Credit and Credit for Other Dependents. You can also include **other tax credits** in this step, such as education tax credits and the foreign tax credit. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2021 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

- 1 Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, skip to line 3

1 \$ _____

- 2 Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

- a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a

2a \$ _____

- b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b

2b \$ _____

- c Add the amounts from lines 2a and 2b and enter the result on line 2c

2c \$ _____

- 3** Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.

3 _____

- 4 Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld)

4 \$ _____

Step 4(b) – Deductions Worksheet (Keep for your records.)

CAPITAL REGION MEDICAL CENTER ADMINISTRATIVE POLICY MANUAL

TITLE:	Dress Code and Personal Appearance	ARTICLE:	5
SUBJECT:	Organizational Function - Human Resources	SECTION:	B
DATE:	October 1, 2016	NUMBER:	18.06
SUPERSEDES:	Policy No. 5-B-18.05 5-B-18.04 5-B-18.03 5-B-18.02 5-B-18.01	Dated:	January 15, 2010 October 20, 2004 November 15, 2002 August 7, 2000 January 1, 1998
		REVIEWED:	June 13, 2013

PURPOSE

To establish standards of dress which are appropriate in carrying out patient care and other related work assignments throughout Capital Region Medical Center and its Clinics.

POLICY

Staff are required to follow the Medical Center-wide Dress Code and Personal Appearance policy outlined here, as well as departmental standards for correct uniform / scrubs or business attire. The standards of this policy, as well as departmental standards, are to be complied with by staff during their regularly scheduled work times, as well as during any returns to work when taking on call or to work extra hours. Employees attending educational programs sponsored by the medical center, including attendance at New Employee Orientation or other Medical Center based meetings, or representing the medical center at off-site programs, are expected to adhere to the dress code policy.

STANDARDS

Staff appearance should convey an image of competence and seriousness of purpose that inspires confidence in our patients, visitors and fellow staff members. Employees working in Departments with approved uniform requirements are required to comply with those requirements.

Clothing should be clean and in good repair. Radical departure from normal business attire is not permitted.

Personal hygiene should be maintained; fingernails should be kept clean and trimmed; nail polish, if worn, must be well maintained; mustaches / beards and sideburns should be neatly trimmed.

The use of jewelry should not be excessive and should not unreasonably draw attention to the wearer. Jewelry that would pose a safety issue to the wearer or others is not permitted.

Shoes should be appropriate to the work being performed and should be non-noise producing in patient care areas. Personnel providing direct patient care wear socks or stockings and shoes with impermeable enclosed toes. Shoes will be constructed of an impervious, non-absorbent material, clean and in good repair.

Scrubs should be the same color top and bottom. If wearing a long sleeve shirt under the scrub, the long sleeve shirt needs to be a solid color in either white or the approved color for your unit.

When a staff member's clothing or uniform becomes contaminated while on duty with blood, body fluids, or hazardous chemicals, he /she should exchange their clothing for scrubs.

PROHIBITED ATTIRE

The following are not allowed:

- Faded, torn or ripped clothing
- Midriff or off-the-shoulder blouses, sweaters or dresses
- Tight, sheer or revealing clothing
- T-shirts, even those with Capital Region logo, unless specifically approved by AC
- Clothing with advertisements or sayings with the exception of unit approved CRMC apparel when worn as part of the uniform.
- Logos, with the exception of small discrete manufacturer logos such as Dockers, Polo, Nike, etc. (In areas where business attire is the expected apparel, CRMC logo shirts with collars may be worn.)
- Spaghetti strap or strapless shirts or dresses
- Denim jeans
- Sweat pants
- Shorts or sports attire, unless part of a unit-approved CRMC uniform
- Hats, caps, bandanas, plastic hair bags/shower caps unless for medical conditions or safety purposes or established religious customs
- Visible body piercing / jewelry except for ears or nose
- Tattoos which are larger than one square inch must be covered.
- Cologne / aftershave/ perfume is not permitted in patient care areas and should be minimal if used in other areas.

ID BADGES

Identification badges must be worn in clear sight above the waist with name, title and department clearly visible. ID badges are the property of CRMC and are not to be defaced or abused. No items are to be affixed or attached to the badge either temporarily or permanently. No holes are permitted in the badge. No lettering, wording other than that which was issued on the badge is permitted.

DEPARTMENTAL / UNIT POLICIES

More restrictive unit / departmental-specific dress code and appearance policies may supersede this policy. Such policies will be communicated to employees upon hire or transfer. Managers are expected to manage compliance in a fair and equitable manner.

CRMC Clinic Staff that work in the front office staff will wear collared shirts with CRMC or CRP logo. Scrubs (of any color) with a CRMC or CRP logo will be worn for those with direct patient care.

CRMC Hospital staff will wear a specific color to identify their job function. Below are the designated scrub colors:

ROYAL BLUE: Nurses (RN and LPN)

HUNTER GREEN: Nurse Assistants, Outpatient Clerk/Techs and Cancer Center Phlebotomists

NAVY BLUE: Emergency Department Techs, Unit Clerks, Monitor Techs

LIGHT BLUE: Cardiac Cath Lab Staff, Operating Room Staff, Obstetrics Techs

The medical center reserves the right to determine extremes in style, and department management is responsible for monitoring employee attire for compliance with this policy. Employees who do not comply will be notified of the inappropriateness of their attire and may be instructed to return to their home, without pay, in order to change clothes before they may continue working. If there are any questions regarding the appropriateness of attire or any requests for a medical or religious exception to the policy, staff should contact the Vice President, Human Resources or the Vice President over their department area.
